

SLCC Bruin-WiFi

SLCC is changing the way you connect to WiFi. To make student access easier and more efficient, Bruin WiFi has been introduced. It simply takes only a few clicks, and you have internet access for your devices. See instructions below to connect.

To connect to Bruin-WiFi:

1. On your device, open your list of available networks, select Bruin-WiFi and connect.
2. Open your web browser (Chrome, Edge, Firefox, Safari, etc.), you will be redirected to the Acceptable Use Policy page.
3. Click "Accept" after you read and accept the Acceptable Use Policy.

Acceptable Use Policy
Please read the Acceptable Use Policy.

SLCC computing, networking, and information resources are provided as a service for use by faculty, staff, students, and the college community in a responsible manner that is within the capacity of the resource and consistent with the mission of the college and public trust. Use of college resources must not disrupt, distract from, or interfere with college business. Users are responsible for activity originating from their resources which the user can reasonably control. Users must obey relevant federal, state, and local laws with special attention to copyright, defamation, harassment, obscenity, child pornography, privacy, and government property laws. SLCC will cooperate with law enforcement agencies when allegations of violations are made.

Users must not:

*Please note that this Acceptable Use Policy will be renewed every 30 days. You will then be directed to the "Connection Successful" page.
